This Italian pressed tile is available in four colors: Beige (Lazio), Rose Brown (Umbria), Red (Toscana), and Brown (Marche) and in a variety of modular sizes. To complement this look, there are gorgeous decos that are worn and have an antiqued aesthetic to them. Trim pieces are available as well. Lazio is rated for all residential and commercial applications, while Umbria, Toscana, and Marche are rated for all residential and light commercial applications.

Minimum recommended grout joint for this tile is 3/16"

SHADE VARIATION

V4 - Random Variation for Marche
Random Color differences from tile to tile, so that one tile may have totally different colors from that of other tiles. Thus the final installation will be unique.

V3 - Moderate Variation for all other colors
While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example “that little bit of color” on one piece of tile may be the primary color on the next piece.
