

Inspired by the most classic of Italian marbles, Carrara has a clean white background with soft grey veining. The elegant simplicity is perfect for today's design aesthetic. Carrara is offered in a 12x24 format, with 2x2 mosaic and 3x24 trim in both matte and polished finishes. There is also a 9x24 glossy wall tile and a pre-scoured 9x24 to create a 4x8 faux brick look. The brick version can be stacked or staggered to create two different stunning looks.
