

Bar Harbor is a wonderful blend of different wood types that highlight the grain, wear and structure of reclaimed wood planks. You can create a natural look with the two large format planks (6.5x39.5 and 9.5x39.5) and the 4x13 mini planks can be used for a herringbone or parquet look. The 4" hexagon is a unique addition that is perfect as an accent or shower floor. The beautiful blend is achieved by mixing several boxes before installation.
