

Studio Hex is an extension of our extremely popular wall tile series: Studio 3. Studio Hex is a Spanish, matte-finish porcelain 8"x9" hexagon that is suitable for floors. This flat floor tile series is comprised of five solid colors: the three original Studio 3 colors (White, Silver and Taupe), as well as two new colors (Grey and Black). *Please note that the Studio Hex tiles are porcelain and Studio 3 is a ceramic wall tile so the colors will not be identical.
