

QUALITY POINTS

We are continually striving to provide the very best quality materials, fabrication techniques and customer service for your project.

FABRICATION

Here are a few of the things that make us, and our work above the rest:

- Accredited by the MIA (Marble Institute of America)
- Stainless steel rodding underneath sink and cook-top cutouts
- Polished under edges at cabinet overhang
- T-31 Sink Anchor System
- Color-matched “Biscuit Joined” seams
- 3 Quality control check points
- Finished project is cleaned and sealed

SERVICE

- Customer involved in layout
- 12 month warranty
- No sub-Contractors
- Green Business Practices
- Licensed and insured
- Neat, clean and professional staff
