

SANDGATE CAST STONE ACCESSORIES

These tiles are cast in a composite that uses natural stone. Each tile comes from an original hand-carved design and will vary naturally from piece to piece. They coordinate beautifully with tile or natural stone, and carry the Q-Seal Guarantee. Two new colors available.

Q-Seal is guaranteed to be water and stain resistant for as long as you own your home. Ultra-fresh antimicrobial protection inhibits stain and odor-causing mold and mildew. Worry-free cleaning, use any household cleaner. Best of all, you don't have to reseal or buy special stone cleaners.
